Police are still searching for the young man who was allegedly involved in a knife incident Saturday night in which one of Hazard's star basketball players, Freddie Hogg, was injured.

A warrant was issued for the arrest of Kenneth Combs for cutting and wounding.

The incident occurred Saturday night around 11 p. m. on Liberty Street near the recreation hall there. Hogg was taken to the Mount Mary Hospital then later rushed to the Good Samaritan Hospital in Lexington.

He suffered a severely cut index finger on his left hand, which will keep him from playing for Hazard in the State Tournament in Lexington Wednesday, when the Bulldogs face Oldham County in the opening game of the tournament.

According to Roscoe Shackelford, Coach of the Hazard High School team, Hogg's injury probably won't interfere with his play next year.

## Bulldogs Win 14th Region Tournament; Defeat Carr Creek

Clutch shooting by Hazard's Joe Davis in the final seconds of Saturday night's Regional finale gave the Bulldogs a one-point edge over a fired-up Carr Creek team to earn a trip to the state playoffs in Lexington this week.

Davis' four cool free throws and a jump shot with eight seconds remaining proved to be too much for a fighting Carr Creek team that had not read that Hazard was the favorite to win the 14th Region championship this year.

As soon as the final horn sounded, fans poured from the stands to swarm about the floor that just a few minutes before had been the scene of such hot basketball action.

The team was surrounded by shouting fans. Joe Davis got a hero's ride on the shoulders of the crowds. Both nets disappeared from the rims, victims of celebrating students knife.

Hazard fell behind 14-11 after one period but the Canines roared back on top and led by seven at the half. Hazard took the lead with 6:09 in the first half on a 3 point trip from Freddy Hogg and a two-point shot by Joe Davis. James Couch hit for the Crekeers but Jim Rose connected for the canines to make it 18-16 Hazard. Rose and Kenzie Tate hit back to back fielders to give Hazard a 6 point 22-16 led with 2:27 to go. The Bulldogs were on top at the half 26-19.

Freddy Hogg opened the second half with a field goal to give the canines their longest lead of the game 28-19. Glen Combs then hit back to back jumpers to cut the margin to 5 but Rose hit for Hazard to push the lead back to 7. Then Tommy Reynolds hit two fielders for the Indians to cut the lead to 30-27. Hazard held on to a two-point lead 39-37 after 3 periods.

A three point trip by Reynolds carried Carr Creek to a 40-39 lead early in the final period with both teams exchanging baskets after that.

With :15 to go James Couch

hit what looked like the basket that would send the Crekeers to Lexington but after a time out Joe Davis canned a jump shot with :8 to go that gave Hazard the victory.

Hazard was led in scoring by Freddy Hogg and Jim Rose with 20 each, Davis added 10 markers, Glen Combs topped Carr Creek scoring with 17, Reynolds tallied 14 and James Couch picked 12.

Hazard now takes on Old-

ham County in the opening game of the big tourney at 7:30 Wednesday night, but the Bulldogs will be without the services of Freddy Hogg who is confined to Good Samaritan Hospital in Lexington until Wednesday with a severely cut hand.

Hazard placed three men on the press-radio All-Region team, selected Saturday by reporters and radio newsmen covering the games.

## Perry Grand Jury Reports For February Term

We, the members of the Perry County Grand Jury, for the February Term, 1964, wish to make the following report to the Court and to the citizens of Perry County:

1. The Grand Jury has inspected the county property and it is the understanding of the Grand Jury that a new combination courthouse and jail is in the process of being built as soon as the proper papers can be prepared and an OK is received from the Federal Government.

The City Jail was in good condition and the maintenance on this jail was standard, and it is the opinion of the Grand Jury that the employees of the City should be commended on keeping the jail in as good a condition as it was found.

The Grand Jury feels that the County Jailor, Bill Kelly, is doing a good job in his maintenance of the County Jail, considering the age and dilapidated condition of said jail.

It is the recommendation of the Grand Jury that the benches be removed from the courthouse hall and that the officials should enforce the loitering laws as pertains to the courthouse premises.

2. It is the recommendation of the Grand Jury that the State Police, County Sheriff and his deputies, the City Police and the Alcoholics beverages enforcement officers give a little more attention to the enforcement of the alcoholic beverage laws in Perry County, especially as it pertains to the sale of alcoholic beverages to teenagers, and to the illegal sale of alcoholic beverages on Sunday.

3. It is the recommendation of the Grand Jury that the

County School Superintendent and the County Board of Education do their utmost in the enforcement of the compulsory attendance laws of this Commonwealth, and it is the feeling of the Grand Jury that the betterment of our children and our county depends upon our children attending school, and the Grand Jury feels that too much attention cannot be given to the important job of keeping the children of the county in school.

The Grand Jury would also like to recommend that the Vico gym at Vico be demolished as soon as possible as it constitutes a nuisance and furnishes a place for teenagers to loiter and loaf.

4. The Grand Jury has noted in its work that the roads in the county are in pretty poor condition, especially our county roads, and the Grand Jury would like to recommend that the county officials, including the Fiscal Court and the State Highway officials, do all within their authority to improve our roads and to see that the materials which are bought for these roads are put upon the roads where they belong and to also see that the tax payers of this county receive a full day's work for all wages and for all material that county money is spent on which is supposed to go upon the roads of the county.

5. It has been brought to the attention of the Grand Jury that the operator of the Jet-Drive-In, located on the Jeff-Viper road, pled guilty to the illegal sale of whiskey, and under these conditions it is the feeling of the grand jury that the roadhouse permit which was issued to the owner or operator

of said establishment should be revoked, and this Grand Jury so recommends to the Perry Circuit Court.

6. The Grand Jury has noted that our highways and river banks have become quite littered with garbage and debris, and the Grand Jury would like to recommend that the law officials enforce our anti-littering laws and that the County and City officials, including the Health Department, do their best to see that this situation is corrected as soon as possible.

The Grand Jury during this term has conducted quite an extensive investigation into the affairs of the county and as a result of their investigations they have returned approximately 50 indictments, including two indictments for murder, and the remainder for less serious offenses. The Grand Jury found that there was quite a bit of stealing going on within the county and too many cases of child desertion, and the Grand Jury feels that there should be a little stricter law enforcement within the county. While the Grand Jury notes that economic conditions are not good, still this is no excuse for law violations.

In conclusion, the Foreman of the Grand Jury extends his appreciation to the members of the Grand Jury for their splendid cooperation and to the officials of the county for their help during this term of court.

Respectfully submitted,

F. R. ROARK,  
Foreman

By Arlis Fields

Hazard's high flying Bulldogs and Carr Creek's surprising Indians moved into the finals of the 14th regional tournament with wins over Wolfe County and Owsley County last Friday night in Memorial Gymnasium.

**Hazard 83 — Wolfe County 65**

Neither team could pick up a lead until Freddie Hogg hit two free throws late in the first period to give Hazard a 15-11 lead, the Bulldogs were on top 17-13 at the end of the period. Bobby Campbell got a quick two-pointer to slice the lead to two, 17-15, but that was it for Wolfe County as Hazard's Jim Rose hit a lay-up, a jump-shot and a tip-in to give Hazard a 23-15 lead. Davis hit for Hazard to make it 25-15 but Teddy Holbrook matched it to cut the lead back to 8-25-17. Freddie Hogg then hit back to back field goals and the hot-shooting Rose hit two more two-pointers and Wolfe County never caught up.

Freddie Hogg led the canines to their 28th victory in 31 starts as he collected 30 points. Jim Rose tallied 18, 14 in the second period. Joe Davis picked up 13 points while reserve David Olinger contributed 11.

## Theme Selected For National Wildlife Week, March 15-21

By Clay Ratliff

To emphasize America's need to plan for the outdoor recreation needs of its rapidly expanding population, the theme selected for National Wildlife Week, March 15-21, is "America Needs Outdoor Recreation—Act Now to Provide for the Future." The announcement was made by Denver Miniard, Chairman of the Board of Supervisors of the Perry County Soil Conservation District to accent the District's support of this theme.

Mr. Miniard points out that this need for outdoor recreation provides some farmers with a good opportunity to supplement their farm income by using at least a part of their land for income-producing recreation enterprises. Those enterprises that might be considered, he says, are: hunting areas; shooting preserves; fishing waters; picnic and sports areas; vacation farms; sales of recreation lands or rights to use such lands; and camping, scenery, and nature recreation areas.

Says Mr. Miniard, "Farmers who have been forced to overuse some of their land now have an opportunity to convert such land to a less intensive use while at the same time they improve their income."

According to Mr. Miniard, the Soil Conservation Service, through its program of assistance to Soil Conservation Districts, is available to help farmers plan the use of their land for recreational purposes, and to provide technical assistance in the establishment of soil and water conservation practices

needed in connection with such use. It can also provide information regarding agencies and individuals that can furnish needed assistance of a kind that SCS cannot offer. The Soil Conservationist who represents the Soil Conservation Service is Clay W. Ratliff.

### A Letter From AUNT MAGGIE

Box 495,  
Hazard, Kentucky

Dear Jenny:

I'm glad you asked me about what I thought of the fashion trends for teenagers and young people today, and what to wear to your party. My opinions are not important but what God has to say about it is.

In Romans 12: 1, 2 Paul writes, "present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye might prove what is that good, and acceptable, and perfect will of God."

To me, this means that what we wear and how we look is to be acceptable to God. In Eugenia Price's book, Woman to Woman, she says, "We all need to remember, as Christians, that we not only present our bodies unto the Lord, we present them to those who don't yet know Him too."

Remember what God said, "be not conformed to this world" . . . that means if Beatle cuts, Bee-hive hair do's, fancy make-up, short, tight skirts and Marlon Brando boots are what everyone is wearing but is offensive to God, then you should be glad to be different. Maybe you wonder why I feel these particular things might be offensive to God. For one thing, teenagers who think they look attractive with all this "way out make-up and hair stuff" as Uncle Art calls it, would not feel so attractive if they knew that to some men they look like street walkers. This gives a false impression and might be the cause of embarrassment. I'm speaking here of those who go to the extreme. Also, in John's gospel, he says, "He must increase, but

I must decrease." That means that Christ must shine in every part of your life and anything that you do or say, or anything that you wear that draws attention to yourself instead of to Christ is wrong for a Christian.

Jenny dear, the Lord wants us to be just as natural and sweet as He made us and as Christians we should not be happy trying to look and act like somebody else.

Well, I really got going on that didn't I, but anyway, have a good time at the party and don't be afraid to just be yourself. Be neat and clean with well groomed hair and you won't have to worry about whether your appearance is acceptable to others if it is first acceptable to God.

Love,  
Aunt Maggie

#### State's Utilities Asked to Outline Rate-reduction Plan

Kentucky's Public Service Commission has requested the State's utilities to outline their rate-reduction plans commensurate with the reduction in Federal corporate income taxes.

Legislation passed by Congress and signed recently by President Lyndon B. Johnson lowers corporate tax rates from 52 to 50 per cent this year and down to 48 per cent effective January 1965. Compliance with the P. S. C. order would pass these savings on to the utility consumer.

#### 12th Annual Republican Women's Conference Set For April 8-11 in Washington, D.C.

Republican members of the Senate and Republican Governors will be specially honored at "double-header" mealtime festivities during the 12th annual Republican Women's Conference to be held April 8-11 in Washington, D. C. It was disclosed today by Mrs. Elly M. Peterson, Assistant Chairman of the Republican National Committee.

The Conference will hold forth at the Sheraton-Park

Hotel, but the huge banquet hall will not accommodate the 3,000 or more delegates expected for the meeting. Thus, the participants will be split into two groups, and two separate batteries of guest speakers will alternate at the head tables. The hotel's big exhibition hall will be utilized to serve half the guests and the ballroom the other half.

The members of the Senate will be honored at an evening

banquet, Thursday, April 9; the Governors will be the guests of honor at a brunch on Saturday morning, April 11.

At the banquet the principal speakers will be Senator Roman L. Hruska of Nebraska and Senator Peter H. Dominick of Colorado. Masters of ceremonies will be Senate Minority Leader Everett M. Dirksen and Senator Thurston B. Morton, chairman of the Republican Senatorial Campaign Committee.

Mrs. Peterson and Mrs. Dorothy Elston, President of the National Federation of Republican Women, will serve as alternating toastmistresses for the banquet as well as for the Governor's brunch, where Governor John Love of Colorado and Governor John Chafee of Rhode Island will speak.

Conference delegates, coming to Washington by plane, by

train, by private car and by chartered bus from every one of the 50 states, the Virgin Islands and Puerto Rico, will arrive in the midst of the Capital's famed cherry blossom season.

As previously announced, Senator Margaret Chase Smith of Maine, first woman in either major party to seek the Presidential nomination, will be the keynote speaker.

**In Kentucky...  
after bowling, beer is a natural**

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.
